### Pupils:

- Be respectful of everyone. Everyone is working their hardest and deserves support and friendship.
- Treat each other well.
- Do not bully or be unkind to others because they are different from you in any way.
- Always try your hardest. Do your best for yourself, not for other people and be proud of everything you achieve.
- Do not harm anyone else intentionally either with your words or your actions.
- Dress appropriately.
- Explain absences.
- Join in.
- Talk to us about anything that worries you, help us to help keep you safe.

### Parents:

- Be supportive of all our pupils, do not encourage unhealthy competition, and do not ridicule any child for their efforts or for their differences.
- Enable your child to do their best for themselves, support them with attendance, uniform and taking part.
- Talk to staff, ask questions, tell us what is important to you and discuss any concerns to help us, as staff, to do the best for your child.
- Support staff to enable them to do the best.

### Teachers:

- Encourage all pupils to do their best.
- Make sure that the time they spend with us is fun.
- Make sure they learn something new or improve on something every session.
- Allow children and young people the opportunity to express their views and join in on decision making.
- Give children and young people a full and enjoyable experience of the dance world.
- Respect diversity and equal opportunity.
- Keep up to date with training skills and legislation.
- Demonstrate openly we support our young people and will keep them safe from harm.
